

Blogs and Websites and Twitter, Oh My!

One of the great questions I received this past week was about using all the great blogs, websites as well as social media in our business. I was asked - "What are your favorites?" Well, here they are – I must say, there are SO many really amazing ones, but here's just a few that I use for inspiration, just plain fun, and great business advise. . .

For wedding inspiration (brides are looking at these too):

And, one important tidbit to remember about using social media (Twitter, FaceBook, etc.) Do not just self promote! Really use it as a way to build relationships, stay social, get inspired, share useful and interesting information and educate yourself! Tweet tweet. . .
